Partners Packet

Become a Partner in Empowering Futures

The Polar Foundation, Inc.

To our partner,

The Polar Foundation is a nonprofit to empower underserved communities, including minority populations, through impactful services and unwavering advocacy, driven by compassion, integrity, and inclusivity. This foundation was created by seven fraternity brothers who graduated from the University of Florida who have a passion to serve and give back to the community. We will provide scholarships and opportunities to minority students, such as:

- Scholarships to cover the cost of tuition, fees, and living expenses for minority students pursuing higher education.
- Mentorship and internship programs to connect minority students with experienced professionals in their field of interest.
- Professional development workshops and seminars to help minority students prepare for the workforce.
- Job placement assistance for minority students after graduation.
- Advocacy for policies that support minority students and communities.

We believe that access to education and opportunity is essential for a just and equitable society. By providing scholarships and opportunities to minority students, we are helping to create a more diverse and inclusive workforce and society.

One of our main initiatives is “**The Polar Scholarship**” which was created to support high school students on their journey to college. We understand how hard it can be to adjust to a college setting. The ultimate goal for the Polar Scholarship is to cover several student tuitions for up to 4 years and become one of the largest scholarship organizations in the country. We want to support first-year students with the proper funding and resources to achieve their collegiate dreams.

In our inaugural year (2023-2024), we awarded three \$1,000 scholarships to exceptional high school seniors. Building on this success, we plan to award seven scholarships of \$2,000 each in the following year. We are now looking for businesses and organizations who would like to be a part of this prestigious program to change the lives of deserving students. We also are open to accepting any classroom materials, supplies or equipment which will go towards aiding students.

We kindly ask you to become a partner to support all of our initiatives which would be a great investment into the lives of our future leaders. This partnership includes but is not limited to the following options.

- **Golden Circle:** \$750+
 - Benefits listed below
- **Silver Circle:** \$500 - \$749
 - Benefits listed below
- **Bronze Circle:** \$300 - \$499
 - Benefits listed below
- **Black Circle:** \$100 - \$299
 - Benefits listed below

The Polar Foundation, Inc.

As a nonprofit, the Polar Foundation strives to create an atmosphere where the future is bright. By assisting one student at a time we know that “big things come from small beginnings,” but we will take on the challenge of making our community and the world a better place.

We look forward to hearing back from you and believe that our second annual bursary will be a success with your partnership.

Details for the “Polar Foundation” are as follows:

- The Polar Scholarship will be awarded to 7 recipients (\$2,000 per Person).
- Donations of classroom materials, supplies or equipment will be appreciated.
- Fundraising goal achieved by early Fall 2024.

If you have any questions, please feel free to contact us via email at general@polarfoundation.com.

Sincerely,

Pakenley Pierre
